

Ideas for 2-3's

Communication, Language and Literacy

Den Building

Children will develop communication and language skills as they work with you to build the den, teamwork. The child may direct the adult as to what they want.

Lots of opportunity to talk....

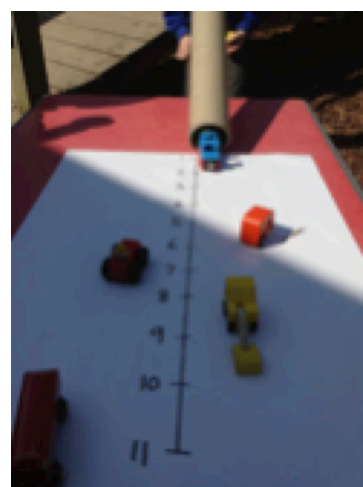

Why not build the den outdoors, you can listen to the noises? What can you hear?

Maths

Roll the Car

Roll the car down the tube and see how far it goes, children will be estimating and counting. You can add ramps or another tube alongside and have a race

1,2,3 GO.....

Physical

Bubble Wrap Painting

Hang on to your bubble wrap from those packages you have had delivered during lock down.

Develop the fine motor development, pre-writing skills.

You can google this activity there are lots of ideas using bubble wrap.

(always ensure safety with plastic wrapping)

Emotional and Mental well-being

Spring Yoga

All you need is eggshells cotton wool and cress seeds. Let the children take responsibility for looking after and growing the cress. They can decorate their eggshells with different faces.
