

# Ideas for the under 2's

## Communication, Language and Literacy

### Let's Sing Together

Babies love to hear the sound of your voice and singing is a lovely way to spend time together.

Sing simple songs over and over again and they will begin to recognise the tune and use the actions.

Incy, wincy spider  
Round & round the garden like  
a teddy bear.  
Pat a cake, pat a cake.  
Twinkle, Twinkle little star.  
Hey diddle diddle.

## Maths

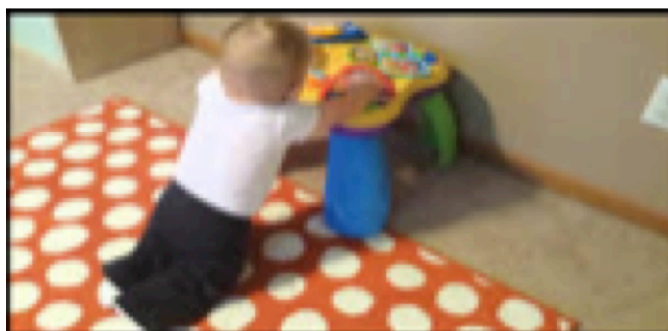

### Laundry Basket

Babies love to sort and empty.  
With a few clean items in the basket, let them explore the items, putting them in and out, exploring the feel of the materials.  
They may even try to climb in!!  
**(never leave children unattended)**

## Physical

### Climb, Stand, Crawl

Toddlers love to Toddle, climb, stand, crawl upstairs, crawl through spaces.  
Support them to crawl upstairs, crawl through different spaces, stand with support, roll a ball to you.  
**Using all their different muscles.**

## Emotional and Mental well-being

### Who's Looking at You?

Babies are fascinated at their own reflection in the mirror.  
Sit alongside them and say, 'Who is it'?  
Point and say their name.  
Play hidey-boo with them in the mirror.
