

Ideas for 2-3's

Communication, Language and Literacy

Washing Basket

A washing basket can be so much fun! Can you find items in the house to make a boat with a sail? Set sail on your boat, talk about where you are going to go?

Maths

Sorting items

Sorting items can be lots of fun. Sort them into bun cases, boxes or trays. Look how many you have? Are they the same shape, colour? Do you have more than one the same?

Physical

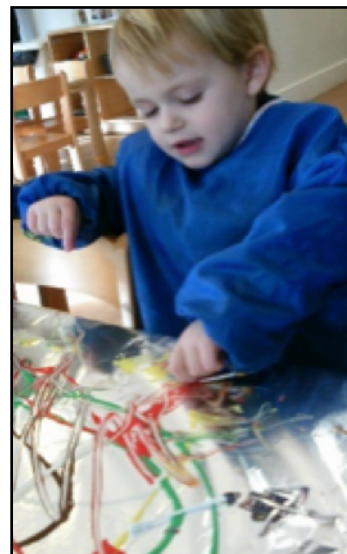

Salad Spinner

Do you have a salad spinner or a colander that they can thread pipe cleaners through? It takes a lot of control with their hands.

Emotional and Mental well-being

Paint on foil

Painting on foil is lots of fun. Roll the foil onto the table and start to paint. You can hang it up afterwards to see your artwork.
