

Ideas for the under 2's

Communication, Language and Literacy

Crayons and Paper

Get the crayons and paper out and let them explore and make marks on the paper. Talk about what they are drawing and give them lots of praise how good they are and I like what you have drawn there.

Maths

Soft Toys

Do you have a selection of soft toys that your child loves? Line them up in front of them and say the name, 'where is the bear?' 'There it is'. Pass it to your child. Then say the same and pass the next one, this is a good one to keep repeating.

Physical

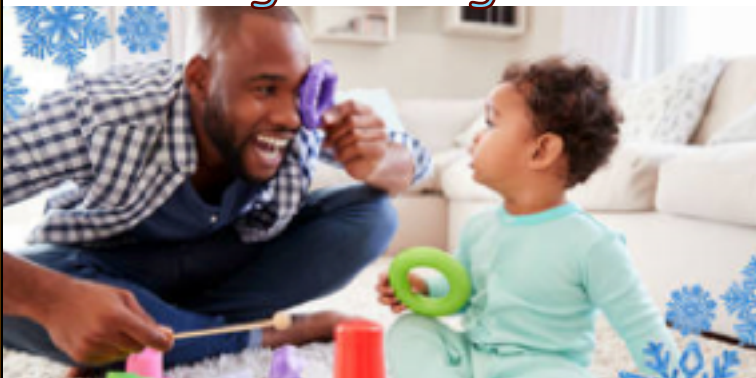

Peek-a-Boo!

Let's play peek-a-boo!!
Sit facing your child, cover your eyes and say 'Where is....? There they are!!
Soon they will be following your actions and doing it to you!!
All the time you have eye contact and facial expressions with them.
Lots of fun!!

Emotional and Mental well-being

Having fun together!

Sit with your child with a selection of their toys that they love to explore. Looking at building with the stacking rings, saying the colours as they try to build. Making music together, singing simple songs.
Enjoying your time together!!
