

Ideas for 2-3's

Communication, Language and Literacy

Making Floor Shapes

Make lots of shapes on the floor together.
Can they find the circle and jump inside?
Can they find the blue square?
They can then ask you to find the shapes?

Maths

Numbers

Make a caterpillar with circles and make the numbers to match.
Can they match the numbers to the right circle on the caterpillar?

Physical

Can You Crawl Like an Animal

This activity develops coordination, balance, and strength as the children try to imitate the movements of animals.

Emotional and Mental well-being

Sensory Play Shaving Foam

Sensory play is calming for children, as it helps them regulate their feelings.
Sensory play can calm a child who is anxious and frustrated.
lots of fun, messy play.
