

Ideas for 4-5's

Communication, Language and Literacy

Have fun with stories

Let the children make their own story books, they can use their favourite characters to tell a story.

Let the children read you their stories

#onceuponatime

Maths

Bake off

Flapjack

Practice those maths skills when baking, there's a great deal of precision required using scales, and lots of opportunity to use mathematical language.

How much do we need?

How many can we make?

How long in the oven to cook?

Look at the umbers on the cooker

Physical

Keep it moving

The aim is to simply keep the balloon in the air and not let it touch the ground. Be sure to have adequate space, free from fragile items and tripping hazards.

Emotional and Mental well-being

Laughter

Q: WHY DO FISH LIVE IN SALT WATER?

A: BECAUSE PEPPER MAKES THEM SNEEZE!

M

Tell some jokes and laugh...

There are lots of jokes for children to enjoy just google children's jokes and you will be laughing all the way.
