

Ideas for 2-3's

Communication, Language and Literacy

Shrove Tuesday 16th February

Pancake Day

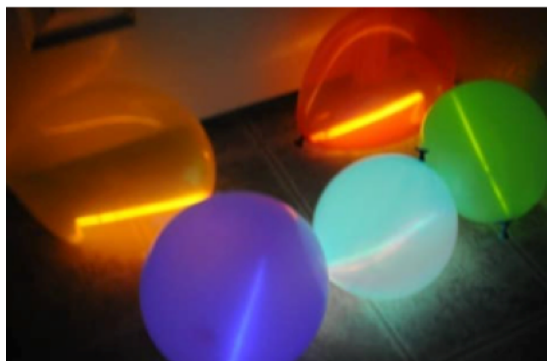

Talk about Pancakes: for example, the ingredients you are using, what they may have as a topping.

Add some fruits and make faces.
Practice those flipping skills your children will be impressed.

Maths

Glow Up Balloons

Blow up some balloons and put some glow sticks inside, why not write on some numbers and count them.

Different ways to have fun with numbers

Physical

Painting with Pom-poms

Painting with pegs and pom-poms, keeping on the winter theme.

Young children love to explore painting in different ways.

Emotional and Mental well-being

Winter Sensory Bottles

Don't recycle those plastic bottles just yet.

Little ones love to hold and look at sensory bottles. There is something very calming as the ingredients gently move around. For this activity keep it simple with just a few ingredients, water, glitter, baby oil, snowflakes and sequins. Resemble snow globes, with sparkles and snowflakes.
