

Jewellery Making

Do you enjoy jewellery making or would like to become more confident in this craft?

The aim of this course is to develop jewellery making skills through a variety of different projects.

Whilst on this course you will complete the following learning outcomes;

- **Complete at least two jewellery making projects**
- **Demonstrate the use of at least three jewellery making techniques**
- **Document the production of your projects using a minimum of 4 photographs**

This flexible course is tailored to beginners or those who have some experience in jewellery making. The course requires a minimum of four hours study, which you can do at your own pace. Tutor support will be available throughout your learning experience.

To participate in this course you must be 19 or over and live in the Rotherham area.

**If you would like to find out more please contact the tutor on
