## Use up your... **FABRIC SCRAPS**

Do you have lots of scrap pieces of fabric that are too nice to throw away? Take a look at all the fantastic ideas below, showing you how you can use up your fabric stash.

Use the links shown to take you to the online tutorial.

### What you will need

Fabric - 5 or 6 circles of fabric (7.5cm diameter)  
Needle and cotton - Use thick thread or double your cotton.

Buttons or beads to decorate

Felt - 2.5cm of felt for the fabric circle on the back

Glue - Strong glue or a hot glue gun to attach the felt and buttons.

A brooch back - if you would like to turn it into a brooch.

### What you will need

Fabric scraps

Medium weight iron on interfacing

A small piece of Pellon Peltex one sided iron-on interfacing. If you do not have this to hand, use an extra piece of fabric instead.

Ribbon

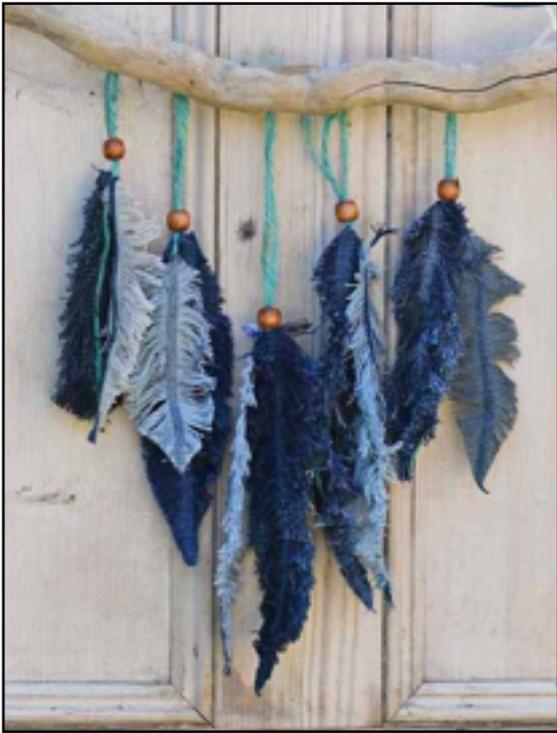

Key ring, you can re-use an old key ring from an unwanted key chain

Pinking shears (if you have them)

Buttons, felt, for embellishing

Sewing thread

Sewing machine, although this project can be hand sewn.

### What you will need

Denim scraps - the scrap pieces will need to be as big as you want your feathers. You will also need pieces of denim with no seams or embellishments.

Twine or strong string

Fabric Mod Podge (you can stitch your twine in place if you do not have Mod Podge)

Wooden beads 10-12mm with a 5mm hole.

A stick (optional) to hang the denim feathers from.
