

Ideas for the under 2's

Communication, Language and Literacy

Ball in a basket

Place a box or basket with spoons, large spoons and a few balls. Show the children how to carry the ball on the spoon and place it in the basket. Give them lots of encouragement as they concentrate on the task.

Maths

Straws in a box

Find a box such as a cereal box. Make holes through the top of the box. Cut some straws in half and Show the children how to place them in the holes.

Physical

Posting items

Find a tall tin, box, tubes or any item where the children can post things such as; hair rollers or any small items you have in the house. Activities such as this will support children's fine motor skills for later writing development.

Emotional and Mental well-being

Books to explore

Do you have a small space to place the books in a box or basket, where the children can choose a book to share with you. They love to look through the basket and bring the book to you. Spend time looking together at the pictures and reading the story.
