1. Ask your child to create their very own superhero. Ask them to draw a picture of their superhero and write down what superpowers they might have.
2. Their next step is to design a cape for their superhero, a plain piece of paper will do.
3. Use this link to find out how to make a cape from an old t shirt <https://cutesycrafts.com/2015/10/t-shirt-no-sew-superhero-cape.html>
4. Decorate your cape with fabric pieces, fabric pens or felt tips.
5. Using card, design and create superhero cuffs and a mask.
6. Additional activities could include asking your child to produce a comic that features their superhero. If you have access to a tablet you could download an app called Comic Life.

Please supervise children at all times with scissors and glue.
