

Ideas for 4-5's

Communication, Language and Literacy

Bottle Top Bugs

Start collecting those bottle tops.
Create different bugs and talk about what you might find outside.
Talk about colour
Talk about where they live.
Talk about changes e.g. caterpillar into a butterfly
If you are not sure find out together.

#Research

Maths

Get Them Involved

Get the children involved in wash day
Sorting out colours
Pairing up socks
Sorting, ordering and counting.

Physical

At the Car Wash

Get those big toys out and get washing
Keep them active
After lots of bubbles and giggles you end up with VERY clean outdoor toys.

#keepingactiveandhavingfunatthesametime

Emotional and Mental well-being

Let's Take a Photo

Involve children in taking pictures of themselves, family members, at the park, or in the garden. Talk to them about the photos they have taken.

Photography can help develop a child's voice, vision and identity.
