

# Ideas for the under 2's

## Communication, Language and Literacy

### Box Fun

Children love a box, climbing in and out, making marks with crayons inside, playing games, putting items in the box.

Play 'who's in the box?' When they jump out say, 'It's (name) in the box'.

This can go on for a long time and really good fun. Introducing new words all the time.

## Maths

### Let's have a tea party

Having a tea party together is lots of fun. You can count how many cups and plates you have. What food shall we have?

## Physical

### Balloon Games

Balloon games can be good fun. Do you have a box? Can you get the balloon in the box by kicking or throwing it?

Or, you can just throw it in the air and try to catch it?

## Emotional and Mental well-being

### Painting

Exploring paints with their hands is great fun. Get them all ready and place the paints on the table.

They can explore the colours and the feel of the paint on their hands.
