Winter Crafts

While penguins can't fly, their stiff flippers, webbed feet, and sleek shape make them expert swimmers. In fact, they spend most of their lives in the ocean and do nearly all of their hunting for krill, squid, and crabs underwater. They can swim about 15 miles an hour, and when they want to go faster, they often porpoise, or leap out of the water as they swim.

pebble penguins

What you will need

Clean pebbles/rocks
Black paint (acrylic)
White paint (acrylic)
Orange paint (acrylic)
Paint brush
Varnish (if placing penguins outside)
