

# IT'S A BUG'S LIFE

A step by step guide to building your own bug house

Build the basic shape of your bug house using the parts provided.

Add a roof to your bug house, using bark, twigs or cane.

Decorate your bug house with a variety of natural resources e.g wood slices, acorns.

Add tunnels and bug furniture to the inside of your bug house.

Create a bug out of wood slices to sit on your bug house roof.
