

Ideas for 4-5's

Communication, Language and Literacy

Homemade Story Books

This is an opportunity to let them be freely creative and build positive attitudes towards reading and writing.

You can help your child if they need support with writing the words.

Maths

Foil River

Make a foil river

All you need is tin foil unravel and twist up the sides and add water

Talk to your child about size, weight, positioning in front of or behind.

See what you can find to put in your river

Boats, pebbles, leaves, empty cartons that float, bottle tops etc.

Physical

A Walk in the Woods

Visit the local woodland and take a walk, lots of opportunity for physical activity

Climbing trees

Balancing

Running

Hopping

Throwing

Coordination skills

Emotional and Mental well-being

A Gift for Someone Special

While you are out and about or in the garden collect different flowers, leaves etc to make a flower arrangement. All you need is a Piece of card Help your child to draw a vase shape.

Put holes with a pencil around the top of the vase, then thread the stems through.

Let your child choose who they want to give it to.
